kunta kenta Black Dynamite

Bio:kunte kente is a complicated artist born in gary indiana representing syracuse ny and connecticut so he was exposed to a variety of music signed to mns records a artist discovered label that kunte created as a way to put out his music without major label telling him what and not to put out along with many many back stabbing friends and shiesty promoters that forced kente to just do for self kente has constantly tried for that elusive record deal only to be told different reasons why he wouldnt get one fed up and seeing no other option and not letting snakes derail his dreams kunte would work on his music in the day and the streets at night till he realized if he wanted to be around for his kids he would have to leave the streets and get legalized so he went and got two jobs and invested his money in his music craft he has done shows for the 50 mics and performed numerous times in the connecticut and new york areas his goal is to see his mns brand treated as the next duck down or rawkus records kente is willing to work with any artist that believes in the m.o.e status with out compromising integrity and honor or selling out just to get it
