

Hoke World

Hoke World Entertainment Presents JB Damesenga, Miss Serenity, ShaVass. It all started with a talented and well known group called "O.H.E", many said On Higher Elevation, others said Out Hustlin Everybody either way they accomplished both tasks. JB Damesenga with his head nod approval, punchline, metaphors, strong delivery, and the grasping of your mind, with ShaVass hypeness, flaming hot lyrics with the approval of bouncing shoulders, and Miss Serenity being the best female vocalist in the game and with the grasping of your heart. No longer O.H.E. but are now Hoke World.
