Created a group Called MTB- Montbello Thug Boyz but didn't work out to many disagreements on how the music should be. The group started and ended all in the same year 1996. So I changed names and every thing that involved the brand new group Still Hood Entertainment. 2014 and still going strong. Old School album has brand new songs with old re mastered/remade songs. I produce,mix,master and write my own music.

The song Life is on mymusic radio by DJ-Kutty. One of the old school hits from the year 1996-remade/re mastered-2009.
