

life of Moken

Hi to you ...hope the visit on this site will rock your ears ...the music there are out now is HomeGrownmade in my little home studio (as good as it gets) but cheap way to do it ..but the studio is now of newer date and a few new guitars to the collection ..so i hope you soon will hear some of the new tunes up on here ..is working on a few pieces ..well a bit about me ..i am 36 years old living on a boat been living on here for 7 years and love it ;)...if there are anything else pls write me a note ..and stay cool ;)..Moken
